## EDUCATION

### DKTE Society's Yashwantrao Chavan Polytechnic

Ichalkaranji, MH

Diploma in Computer Engineering

2025

- Semester 1: 92.47% | Semester 2: 95.88%
- Relevant Coursework: Data Structures, Algorithms, OOP, Computer Networks.

## TECHNICAL SKILLS

- **Programming Languages:** C, C++, Python, Java, SQL (MySQL, Oracle)
- **Web Technologies:** HTML5, CSS3, JavaScript
- **Core Concepts:** Data Structures & Algorithms, OOP, Problem-Solving, Secure Design Principles
- **Modern Technologies:** Prompt Engineering, Vibe Coding, Cybersecurity Fundamentals
- **Tools:** GitHub, VS Code, Linux

## PROJECTS

### Web Calculator (HTML5, CSS3, JavaScript)

[Live Demo](#)

- Built an interactive calculator performing arithmetic operations with a clean, responsive interface.
- Implemented core logic using **JavaScript** and designed the adaptive layout with **HTML5** and **CSS3**.
- Ensured cross-platform compatibility, providing a smooth user experience on both mobile and desktop devices.

### AI-Assisted Personal Productivity Website (HTML, CSS, JS, AI Integration)

[Live Demo](#)

- Developed an intelligent productivity platform designed to streamline task management and enhance user efficiency.
- Integrated AI-driven features to assist users in organizing workflows, demonstrating skills in **prompt engineering**.
- Designed a responsive, user-friendly interface using **HTML5** and **CSS3**, ensuring cross-device compatibility.

### E-Book Management Website (Web Development, GitHub Pages)

[Live Demo](#)

- Built a centralized digital library platform allowing users to browse and access educational resources efficiently.
- Implemented structured data organization to handle various e-book categories, optimizing resource retrieval time.
- Deployed the application using **GitHub Pages**, managing version control and continuous updates via **Git**.

### Personal Portfolio Website (HTML, CSS, Responsive Design)

[Live Demo](#)

- Designed and deployed a professional personal portfolio to showcase technical skills, projects, and certifications.
- Utilized modern CSS techniques for a visually appealing, responsive layout that adapts to mobile and desktop screens.

## LEADERSHIP & EXPERIENCE

### Computer Department Council

DKTE Polytechnic

Vice President

2026

- Leading a team of student representatives to organize technical workshops and departmental events.
- Facilitating communication between students and faculty to enhance the academic environment.

**Student Council**

DKTE Polytechnic

*Cultural General Secretary (GS)*

2026

- Managing cultural events and large-scale college gatherings, demonstrating strong **project management** and **decision-making** skills.

**Google Developer Student Club (GDSC)**

DKTE Polytechnic

*Core Member*

2027

- Collaborating with the core team to host coding competitions and tech seminars on AI/ML and Cloud Computing.
- Actively participating in community building and peer-to-peer technical learning sessions.

**CERTIFICATIONS**

---

- **Cybersecurity Analyst Job Simulation** – Tata (Forage)
- **Prompt Engineering & Vibe Coding** – Self-Paced Learning
